Dear Peter,

I wanted to take a moment and sincerely thank you on behalf of the Nevada Childhood Cancer Foundation Board and the wonderful Children that we serve, for the incredible gift of \$24,500.00 raised from the NPFMA golf tournament that was held on June 6, 2008. to send children to Camp Cartwheel. What a difference you make! As you know, we depend on support from generous people like you to help us provide services to families whose child has been diagnosed with life threatening or critical illnesses such as cancer, HIV/AIDS, hemophilia, sickle cell, renal disorders, or any other immunological diseases.

The world of medicine is constantly making wonderful progress in the area of finding cures in childhood cancer and other life threatening illnesses. However the areas of educating, supporting, and helping to heal the families psychologically, socially, emotionally, and in other areas is where the Nevada Childhood Cancer Foundation comes in. It is our goal to help these families help themselves. As we work with them, we find a way to help each member of the family as they all have different challenges to deal with. From Camp Cartwheel, to Project A.R.K. and the many other services and programs that we offer, we attempt to brighten some very cloudy days. Your generous and loving sponsorship enables us to use scarce resources to provide more services to desperate families.

Camp Cartwheel is our brightest star as we are able to touch the lives of so many children who battle life everyday. At camp, we provide an atmosphere where these special children can forget about hospitals, clinics, and diseases. They get to spend quality time with their brothers and sisters and friends who are in the same position they are. Our campers form positive peer relationships and develop greater independence and self-esteem. This of course is all made possible because of you and other wonderful people in our community.

Again, thank you so very much for help and support. For your records, and as a receipt along with any tax information that you may need, we are a 501 (c) 3 non-profit corporation and our tax ID # is 88-0302673. Please know that your generosity goes to a very noble and loving cause.

Sincerely,

Jeffrey R Gordon
